SYNOPSIS:
Super-Hero partners Scott Lang (Paul Rudd) and Hope van Dyne (Evangeline Lilly) return to continue their adventures as Ant-Man and the Wasp. Together, with Hope's parents Janet van Dyne (Michelle Pfeiffer) and Hank Pym (Michael Douglas), and Scott's daughter Cassie Lang (Kathryn Newton), the family finds themselves exploring the Quantum Realm, interacting with strange new creatures and embarking on an adventure that will push them beyond the limits of what they thought possible. Directed by Peyton Reed and produced by Kevin Feige and Stephen Broussard, "Ant-Man and the Wasp: Quantumania" also stars Jonathan Majors as Kang, David Dastmalchian as Veb, Katy O'Brian as Jentorra, William Jackson Harper as Quaz and Bill Murray as Lord Krylar. The sci-fi adventure opens in cinemas on February 17, 2023.
