# PORG NESTING DOLLS

## SUPPLIES

- Set of unfinished wooden nesting dolls
- Gold, light orange, grey, and white
- Acrylic paint
- Black glitter glue
- Clear acrylic spray paint
- Paintbrushes
- A pencil
- A black permanent marker
- Black enamel dot stickers (optional)

## INSTRUCTIONS

1. Separate all the wooden dolls and fasten them back together.
2. Paint a white oval on the front of the dolls for the porgs' bellies. Be careful not to use too much paint to keep the halves from sticking together. Separate the halves slightly to make sure the paint doesn't glue them together. Let dry completely.
3. Paint the two orange areas on the sides of the porgs' heads, where the eyes would be. Let dry.
4. Paint the rest of the body grey. Use a dry brush technique around the orange parts of the doll for a more feathered look. Let dry.
5. Paint the orange section on the largest porg gold. Let dry.
6. Paint two white circles in the orange section on the head to mark where the eyes will be. Let dry.
7. Use a pencil to draw the nostrils and mouth on each porg, then trace over it with the black permanent marker.
8. Use the black permanent marker to draw the eyes on the smaller porgs. Let dry. Paint black glitter glue over the marker. Let dry.
9. Use either black enamel dot stickers or black permanent marker for the eyes on the largest porg.
10. Once all the paint and glue is completely dry, open and separate the dolls and place them open-side down on a surface.
11. Spray the dolls with a clear acrylic coating to seal everything in. Let dry.
12. Enjoy!

## INGREDIENTS

- 4 slices egg bread
- 2 tablespoons strawberry jam
- 1 egg
- $\frac{1}{4}$  cup (60 millilitres) low-fat milk
- $\frac{1}{4}$  teaspoon vanilla extract
- 2 fresh strawberries, hulled and sliced
- 2 teaspoons confectioners' sugar

1. Preheat the oven to 200°F (95°C).
2. If using a sandwich cutter, cut out a shape from 2 of the bread slices. Repeat with the other 2 slices, using the same cutter or the other sandwich cutter. (You will have 4 shaped bread slices in all, with 2 pairs of the same shape.) Set aside 1 of the shaped slices from each pair. On the remaining 2 slices, spread the jam. Top each sandwich with its matching top piece. Chop the bread scraps into 1-inch (2.5-centimetre) pieces. Otherwise, skip to the next step.
3. Heat a 12-inch (30.5-centimetre) skillet over medium heat and spray it with vegetable-oil cooking spray.
4. In a shallow bowl, use a fork to beat the egg with the milk and vanilla until well blended. Dip the filled sandwiches in the egg mixture, turning to soak both sides. If you used the sandwich cutter, toss the bread scraps with the remaining egg mixture. Add the sandwiches to the skillet and cook for about 3 minutes total (1½ minutes per side) until golden. Remove the sandwiches from the pan and place them in the warm oven until ready to serve.
5. If you used the sandwich cutter, spray the pan with more vegetable-oil cooking spray and return it to medium heat. Add the bread scraps and cook them for 3 to 4 minutes, stirring once or twice, until golden and cooked through.
6. Evenly divide the sandwiches and cooked bread pieces (if applicable) between 2 plates. Top with strawberries and sift the confectioners' sugar over everything before serving.

**Makes 2 servings.**

**\*TIP:** You can use brioche or challah bread for egg bread
