

BIOGRAPHY

Bill Markham
Series Producer

At Plimsoll Productions, Bill Markham has series produced the Emmy®-nominated “Super/Natural” for National Geographic/ Disney+, the Emmy-nominated “ANIMAL” for Netflix, the groundbreaking “Night on Earth” for Netflix, “Big Beasts” for Apple TV+ and “Wild Britain” for Channel 5. He also produced the global extravaganza “Earth Live” for National Geographic.

Before joining Plimsoll in 2017, he had four years at BBC’s Natural History unit, where he produced the BAFTA-winning “Big Blue Live,” the world’s longest-running live wildlife series “Spingwatch,” and the award-winning “Natural World” on killer whales.

Prior to BBC, Markham made many wildlife, adventure, science and history programs for a variety of broadcasters, including the award-winning “Wildest Africa” for Discovery.
