

The background is a dark blue gradient. It features several circular icons representing different Disney destinations: Kumandra (a flower-like symbol), Radiator Springs (a car), Paradise Falls (a house on a cliff), Wakanda (a shield), BARNIA (a lion), MOTURU (a shield with a spear), JAKKU (a planet with a building), ASGARD (a spaceship), HOTH (a snowtrooper), and Arendelle (a castle). A dashed line with an airplane icon connects the Paradise Falls icon to the HOTH icon. The text "Disney+" is in white script with a blue arc above the plus sign. Below it, "DESTINATIONS" is in large, bold, 3D blue letters with a white outline.
