Recommended For You

Disney+ is the dedicated streaming home for TV series and movies from Disney, Pixar, Marvel, Star Wars, National Geographic and Star, including exclusive Disney+ Originals.

We're starting 2022 on a high with *Eternals*, the latest Marvel blockbuster directed by the ACADEMY AWARD®-winning director, Chloé Zhao. We've also got an extra helping of *Bob's Burgers*, alongside some all-time favourite movies like *The Big Short* and *Marley and Me* to warm up those cold winter nights.

You can also start looking forward to a month of musical icons, with the arrival of the all-new ABC special, *The Real Queens of Hip-Hop: The Women Who Changed the Game*, which gets up close to female rappers Eve, Da Brat, Trina, City Girls, Monie Love, Yo-Yo and more. Plus, the arrival of *Queens*, which follows four women in their 40s who reunite for a chance to recapture their fame and regain their swagger as the Nasty Bitches, their '90s group that made them legends in the hip-hop world.

Please note, movie & TV series availability can vary by country and is subject to change. The below is correct at time of issuing.

### A BATTLE WITH THE DEVIANTS

Marvel Studios' *Eternals* follows a group of ancient heroes from beyond the stars who have protected the Earth since the dawn of man. When monstrous creatures called Deviants, long thought lost to history, mysteriously return, the Eternals are forced to reunite in order to defend humanity once again.

*Eternals* features an outstanding ensemble cast, including Gemma Chan as humankind-loving Sersi; Richard Madden as the all-powerful Ikaris; Kumail Nanjiani as cosmic-powered Kingo; Lia McHugh as Sprite, an eternally young old soul; and Brian Tyree Henry as intelligent inventor Phastos. Chloé Zhao directs the film, and Kevin Feige and Nate Moore are the producers, with Louis D'Esposito, Victoria Alonso and Kevin de la Noy serving as executive producers.
