

MARCH Newsletter

Disney+ is the dedicated streaming home for TV series and movies from Disney, Pixar, Marvel, Star Wars, National Geographic and Star, including exclusive Disney+ Originals.

March movie madness hits Disney+ this month, as some incredible feature films land on the platform, from Guillermo Del Toro's new noir masterpiece **Nightmare Alley** to Steven Spielberg's acclaimed take on **West Side Story**, as well as British classics including **Tinker, Tailor, Soldier, Spy**, **The King's Speech**, **Mr Holmes**, **The Woman in Black** and **I, Daniel Blake**.

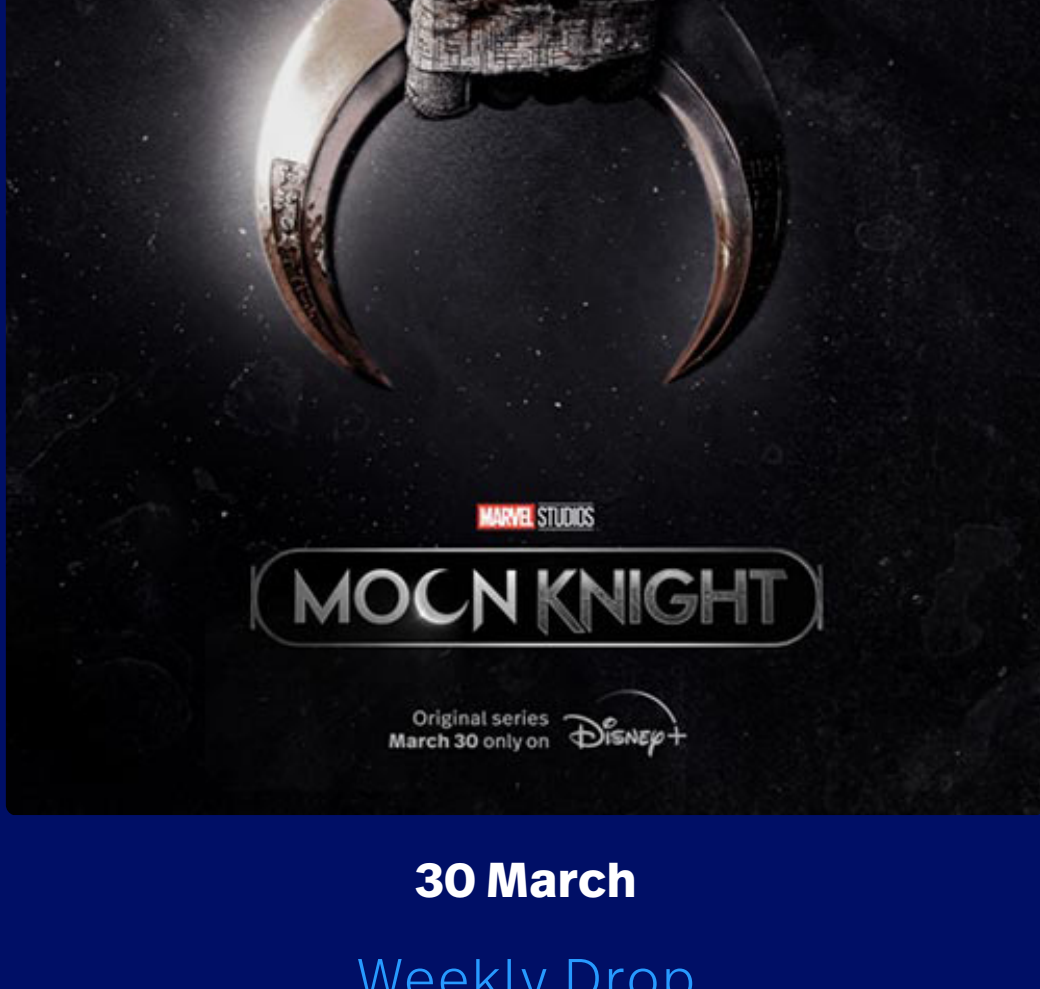

This month also sees the launch of the highly anticipated Disney+ Original series **The Dropout**, based on the podcast of the same name, and starring Amanda Seyfried in a transformative lead role as self-made billionaire Elizabeth Holmes. Plus, new series **Moon Knight** sees Oscar Isaac join the Marvel Cinematic Universe, and a new Disney+ Original film based on the much-loved classic **Cheaper By the Dozen**, starring Gabrielle Union and Zach Braff, lands on the 18 March. It's a jam-packed month!

TURNING RED [6+] DISNEY+ ORIGINAL FILM

11 March

Exclusively on Disney+

Disney and Pixar's **Turning Red** introduces Mei Lee (voice of Rosalie Chiang), a confident, dorky 13-year-old torn between staying her mother's dutiful daughter and the chaos of adolescence. Her protective, if not slightly overbearing mother, Ming (voice of Sandra Oh), is never far from her daughter—an unfortunate reality for the teenager. And as if changes to her interests, relationships and body weren't enough, whenever she gets too excited (which is practically ALWAYS), she "poofs" into a giant red panda! The film is directed by Academy Award® winner Domee Shi (Pixar short **Bao**) and produced by Lindsey Collins.

PARALLELS [12+] ORIGINAL SERIES

23 March

All Episodes Available

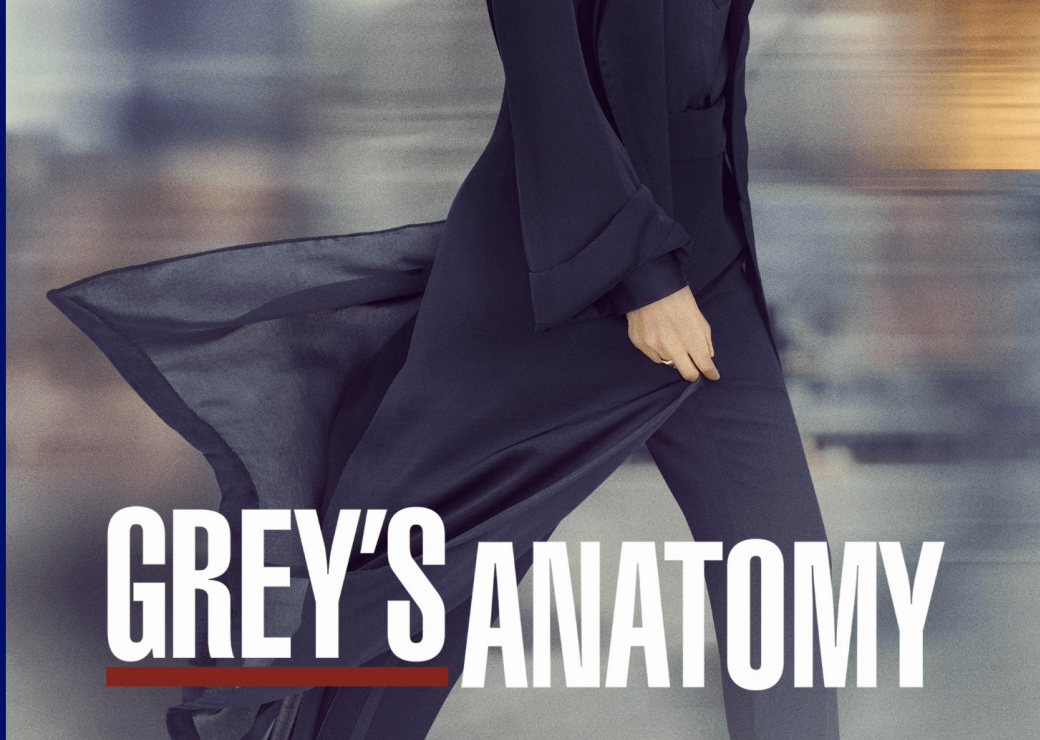

Four childhood friends, Sam, Bilal, Romane and Victor, are leading a calm existence in a peaceful village in the mountains when a mysterious event turns their worlds upside down. In a split second, the universe discards its rules and reshuffles everything: the present, the future and multiverses merge, separating the teens and sending them into parallel worlds, in different time frames. They set about trying to fathom out what happened and strive to find each other and turn the clocks back, to return to the world the world they used to live in. Facing their potential destinies will be the opportunity to grow up and to see things a new way, as their parents will or as Lieutenant Retz will, having to deal for the first time with an investigation challenging his scientific mind.

THE ICE AGE ADVENTURES OF BUCK WILD [6+] DISNEY+ ORIGINAL FILM

25 March

Exclusively on Disney+

The Ice Age Adventures of Buck Wild continues the hilarious escapades of everyone's favourite prehistoric mammals. Desperate for some distance from their older sister Ellie, the thrill-seeking possum brothers Crash and Eddie set out to find a place of their own, but quickly find themselves trapped in a massive cave underground. They are rescued by the one-eyed, adventure-loving, dinosaur-hunting weasel, Buck Wild, and together they must face the unruly dinosaurs who inhabit the Lost World.

CHEAPER BY THE DOZEN [6+] DISNEY+ ORIGINAL FILM

18 March

Exclusively on Disney+

A reimaging of the 2003 hit family comedy about the raucous exploits of a blended family of 12, the Bakers. Gabrielle Union and Zach Braff star as Zoey and Paul, a husband and wife navigating a hectic home life while simultaneously managing their family business: Baker's Breakfast, a local eatery that serves nothing but breakfast (and Paul's to-die-for sweet and savory sauce). With expansion plans for the restaurant in the works, Paul decides to move the family to a much bigger house to an upscale suburb, but the move across town and its effect on the kids is more stressful than Paul and Zoey anticipated. With the fate of their loving, tight-knit family in jeopardy, it is up to Paul to find a life that is the perfect size for all their dreams.
