

Disney Musicals in Schools 2025-2026

Applications for our Disney Musicals in Schools Programme starting in October 2025 are now open for Primary Schools in London!

Disney Musicals in Schools is a free programme delivered by musical theatre professionals in up to five London Primary schools each year. We guide schoolteachers through a programme of support, tools and resources to put on their very own musical theatre show and offer lasting guidance to help embed performing arts within the school for years to come.

As well as strengthening their skills in acting, singing, dancing and working backstage, students will develop confidence, enhance speaking & listening and will learn how to collaborate with their peers. The 17-week programme culminates in a performance of your chosen Disney KIDS production within your school as well as the unique opportunity to showcase their work at a special performance on a West End stage in their first year of the programme.

Disney Musicals in Schools presents primary schools with a unique opportunity to introduce the collaborative art of musical theatre to your school, to establish or strengthen your arts offer, and develop collaboration amongst students, teachers, parents, governors and the wider community.

We particularly encourage schools that have a high proportion of EAL students and Pupil Premium allocation to apply, as well as those who are keen to develop and embed a sustainable performing arts offer at the school.

Applications are now being invited and the deadline for applications is: **3pm on Wednesday 30th April 25**

Disney Musicals in Schools 2023-2024
