

The Disney+ logo is centered in the upper half of the image. It features the word "Disney" in its signature script font, followed by a plus sign. A blue arc is positioned above the plus sign. The background is a dark blue gradient with faint, circular stamps of various Disney locations and icons, connected by dashed lines. These stamps include "KUMANDRA" with a flower, "ENCHANTED CASTLE" with a rose, "MOTUNUI" with a sailboat, "MONSTROPOLIS" with a monster face, "PORTOROSSO" with a castle, "ARENDELLE" with a castle, and "THE GREAT BARRIER REEF" with coral. A small airplane icon is also visible near the top right stamp.

Punch a hole at the top, thread a ribbon through the hole and tie it! There you have it!

2. HAVE A LITTLE TEA

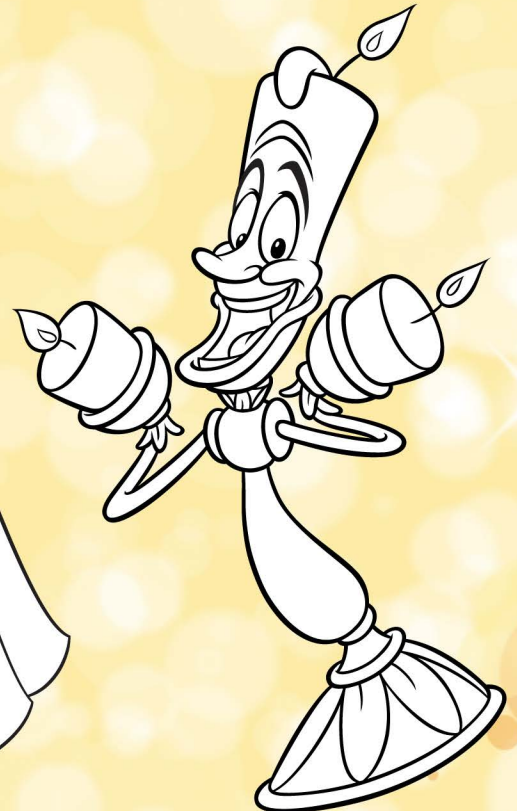

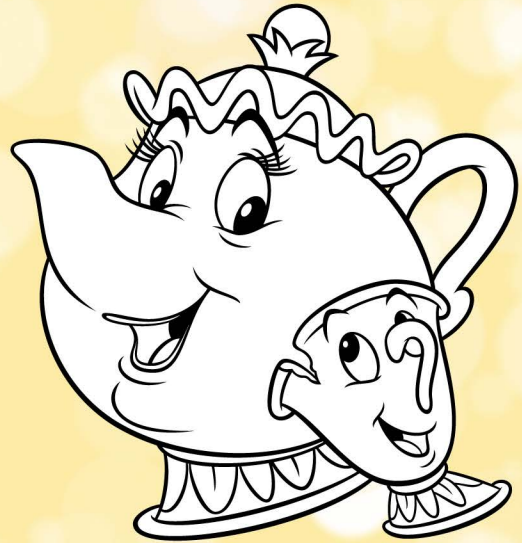

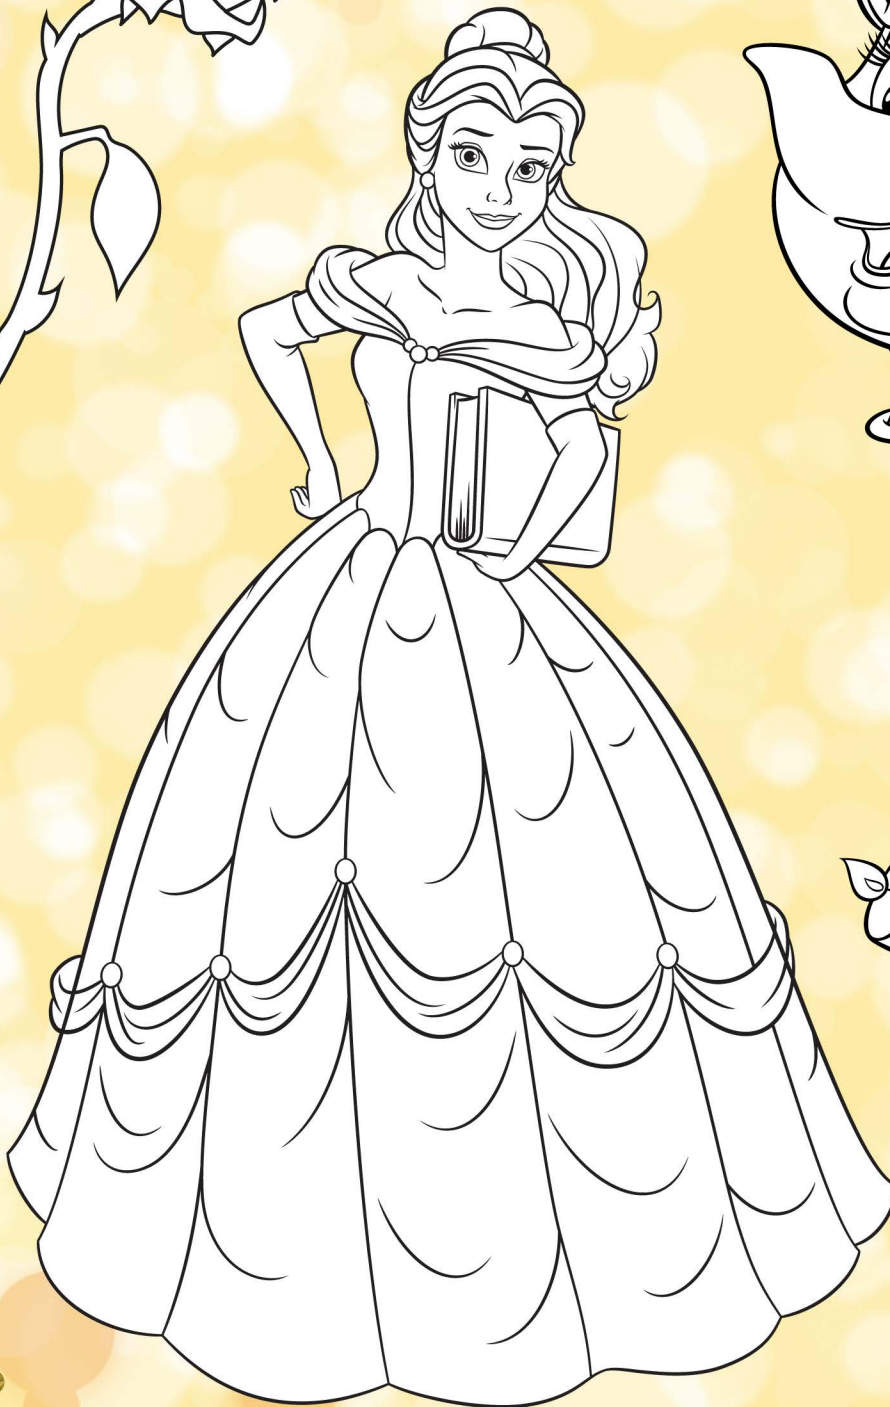

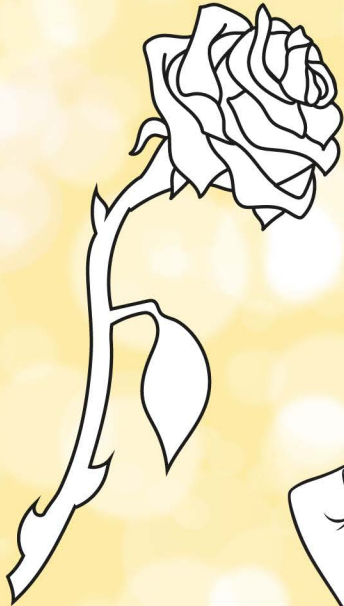

Cut out the images of Chip and the tea label above. Glue one end of a string between the two Chip images, sticking them together with the string in between.
