

In this newest installment in the mega-hit "Descendants" franchise, former Villain Kid Uma, now headmaster of Auradon Prep, extends an invite to the school to another VK – Red, the rebellious daughter of the tyrannical Queen of Hearts from Wonderland. The Queen of Hearts has long held a grudge against Auradon, and especially Cinderella, and seizes the opportunity to seek revenge when she drops her daughter off at school. When the Queen of Hearts incites a coup against Auradon, Red must team up with Cinderella's perfectionist daughter Chloe and travel back in time to try to undo the traumatic event that set Red's mother down her villainous path.
