

Creative Venue Technician Apprentice (Level 3) – Disney Theatrical Group

Ready to make magic? We're hiring for our Apprenticeships.

Join Disney Theatrical Group (DTG) as a Creative Venue Technician Apprentice and step behind the scenes of live theatre. As part of this two-year apprenticeship, you'll learn how large-scale productions are brought to life, working alongside experienced technical professionals on Disney's iconic shows.

You don't need previous experience. This apprenticeship is designed for people who are curious, practical and ready to build a long-term backstage career in theatre. If you are keen to develop new skills across and work across multiple disciplines, this apprenticeship is ideal for you.

Who can apply?

You can apply if you:

- Will be 18 or over by the start of the apprenticeship (for Health & Safety reasons)
- Have the right to work in the UK
- Do not already hold an equivalent qualification or degree in a closely related subject
- Have passed your GCSE English and Maths (Grade 4 or above)

Where you'll work

You'll be based within Disney Theatrical Group's West End productions in London. Working hours will vary depending on the department and production, and evening and weekend work will be required.

About the Apprenticeship

Disney Theatrical Group (DTG) is a leading innovator in entertainment, dedicated to creating exceptional live experiences for audiences.

You'll be supported by the Access Creative College as you work towards the Level 3 Creative Venue Technician apprenticeship standard.

This apprenticeship will help you build the practical skills and confidence to work backstage on a major West End production. You will gain experience in many backstage departments including Stage, Costume, Lighting, Automation, Sound, and Puppets. You will have the opportunity to choose one department in which to spend more time in year two of the apprenticeship. You will learn about producing and maintaining live theatre from an experienced production company and be part of our crew.

You'll join a team grounded in our Disney values: Integrity, Inclusion, Creativity, Collaboration and Community. We're committed to creating an environment where apprentices feel supported, welcomed, and able to learn.
