

Synopsis:

Iwájú: A Day Ahead is a documentary special filmed across three continents that shares the story of the founders of the Pan-African entertainment company, Kugali, who made their dream a reality creating an original animation series with Walt Disney Animation Studios. Created by the ABC News Studios and Walt Disney Animation Studios team that brought you *Into the Unknown: Making Frozen 2*, the documentary shows anything is possible when talent meets opportunity. *Iwájú: A Day Ahead* is directed by Megan Harding and executive produced by Amy Astley and Beth Hoppe.
