

# LIMITLESS

WITH CHRIS HEMSWORTH

**Jane Root**

*Executive Producer, Nutopia*

In 2008, Jane Root founded Nutopia. Known for award-winning documentary series on a global scale, Nutopia created a new genre of television, the “mega-doc,” which combines epic cinematography and action-driven drama with A-list talent. Nutopia has become synonymous with high-quality content for a diverse group of broadcast and streaming platforms, including Netflix, Disney+, CNN, National Geographic, BBC, PBS, HBO Max and A+E Networks. Prior to founding Nutopia, Root was president of Discovery Networks and Controller of BBC2, where she commissioned shows such as “The Office” and “Dragons’ Den.” Root was a co-founder of Wall to Wall Television, where she guided the company through its first 10 years. Upcoming projects include “Limitless with Chris Hemsworth” and “Pole to Pole” with Will Smith. Nutopia has also produced “Welcome to Earth” with Will Smith for Disney+, the National Geographic series “One Strange Rock,” “A World of Calm” for HBO Max, “The Last Czars” for Netflix, and Emmy® Award-winning series “How We Got to Now” and “America: The Story of the U.S.” for PBS.
