

MARVEL 616

Marvel's 616 explores how Marvel's rich legacy of stories, characters and creators exist within the world outside your window. Each documentary, helmed by a unique filmmaker, showcases the intersections of storytelling, pop culture, and fandom within the Marvel Universe. Films in this anthology series will cover topics including Marvel's world-spanning artists, the trailblazing women of Marvel Comics, discovering the "forgotten" characters of Marvel, and much more.

Marvel's 616 is produced by Marvel New Media with Supper Club. The series is executive produced by Joe Quesada, Shane Rahmani, Stephen Wacker, John Cerilli, Harry Go, and Sarah Amos for Marvel; and Jason Stermann, Brian McGinn, and David Gelb for Supper Club.
