

Season 3 of “Percy Jackson and the Olympians” is based on “The Titan’s Curse,” the third installment of Disney Hyperion’s bestselling book series by acclaimed author Rick Riordan. If Percy Jackson learned anything after completing two epic quests with Annabeth Chase, it’s that he would be lost without her. So when Annabeth is captured by the forces of Kronos, Percy must embark on a perilous journey to rescue her. He must free a goddess in chains, confront the Titan’s curse, and avoid triggering the fall of Olympus. With Grover by his side, Percy must join some unlikely questmates to confront a prophecy with dire consequences.
