## TAMING TE KĀ

Practice dodging Te Kā's lava just like Moana! Grab some pillows, blankets, and other stepping stones and plan your route to return the Heart of Te Fiti!

### Directions

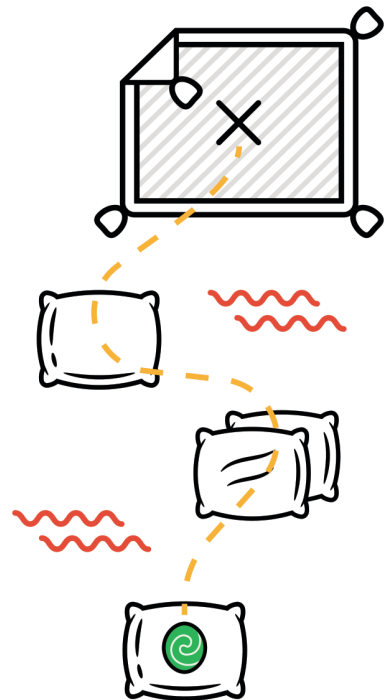

**Step 1:** Gather pillows, blankets, and other soft items safe for kids to stand on.

**Step 2:** Create a path with these objects from Point A to Point B.

**Step 3:** Challenge kids to cross without touching the floor (the "lava").

**Step 4:** After reaching Point B, rearrange items for the return journey!

**Need an extra challenge?** Try removing one stepping item after each successful crossing. How few items can you use to complete the course?

## CRAFT YOUR WAYFINDER JEWELLRY

Create your own Heart of Te Fiti necklace for your next wayfinding adventure!

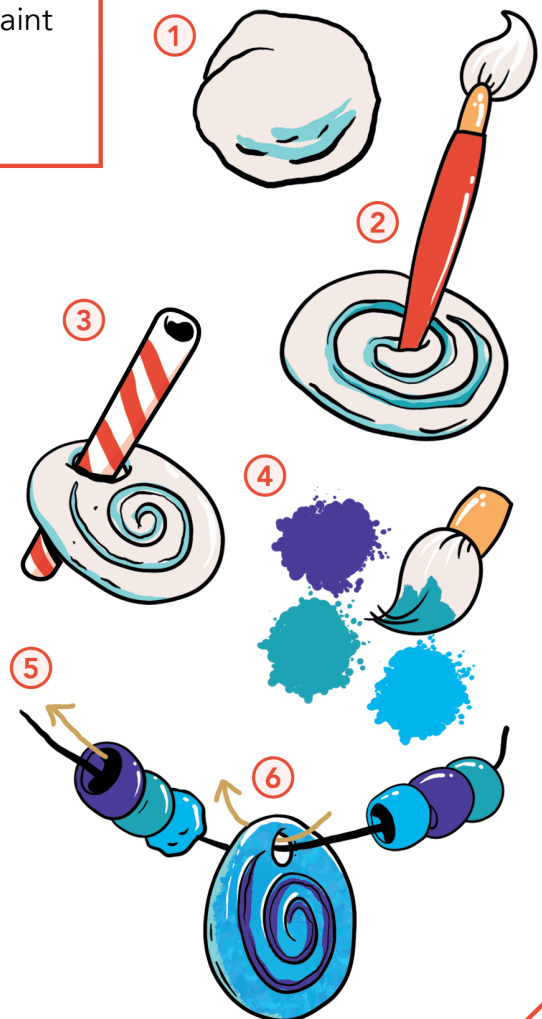

### Supplies

- Air Dry Clay
- Blue, Purple and Green Paint
- A Straw
- Paintbrushes
- Beads
- String or Wool

 *Ask an Adult for Help*

### Directions

1. Roll a small ball of Air Dry Clay and flatten it into a smooth circle.
2. Using the hard end of the paintbrush, carve the Moana swirl into the clay.
3. Poke a hole near the top with a straw for threading.
4. Paint your pendant with shades of blue, green, and purple.
5. Thread beads onto the string or wool.
6. String the Heart of Te Fiti pendant at the centre.
7. Allow to dry overnight, then wear your Wayfinder necklace with pride!
