Build Crew

Roxanne Molohon is a 14-year U.S. Army veteran who served three tours during Operation Enduring Freedom and Operation Iraqi Freedom. She served as an airborne qualified intelligence analyst with the 82nd Airborne, 7th Special Forces group and 4th Psyops group.

After a successful military career, Molohon decided she wanted to build things, not break them. So, she began pursuing a career as a fabricator and CAD designer, graduating from The Fab School in California in early 2023.

She currently lives in Florida with her husband, Jason, and their corgidor, Boomer, and is exploring career opportunities in various industries. Her dream job is in automotive fabrication as well as UTV racing.
