Jeremy Maguire

"Matthew"

Jeremy Maguire just wrapped 5 seasons as Joe Pritchett in ABC's Golden Globe® and Emmy®-winning hit comedy MODERN FAMILY. Maguire can also be seen in his role as Trevor in the drama-filled film I'M NOT HERE, opposite J.K. Simmons and Sebastian Stan.

Maguire has always loved to be in the spotlight and, despite his age, is not shy or timid when it comes to being onstage. He loves to utilize his creative side not only with acting but with drawing, craft-making, singing and storytelling. Whether it's on set or on the red carpet, you can catch Maguire in his iconic cape and ready to answer any trivia question you can think of on the subject of Harry Potter, Star Wars, or the longest word in the dictionary.
