

The SANTA CLAUSES

Scott Calvin is back! After being Santa Claus for nearly thirty years, he's as jolly as ever. But as Christmas declines in popularity, so does his Santa magic. Scott struggles to keep up with the demands of the job, as well as being there for his family. Upon discovering there is a way to retire from his post, Scott considers stepping down as Santa Claus and finding a worthy successor so that he can become a better father and husband.
