

Have an adult help you cut out the cards along the dashed lines. **DO NOT CUT SOLID GRAY LINES.** After all the cards are cut out, fold along the gray lines and secure with tape or non-toxic glue.

To Play: Place the cards character side down and mix them up. Turn over two cards at a time to see if they match. If they don't, turn the cards face down again. Take turns turning over cards using your memory to recall where a matching card may be found. The person who matches the most pairs wins!
