

"The Proud Family: Louder and Prouder" picks up the story of its central character, Penny Proud, and her iconic family: parents Oscar and Trudy, twin siblings BeBe and CeCe, and grandmother Suga Mama (and Puff!). By Penny's side is her loyal crew: Dijonay Jones, LaCienega Boulevardez, Zoey Howzer, Maya Leibowitz-Jenkins and Michael Collins. Building off the standout success of the series' debut, season two of "The Proud Family: Louder and Prouder" continues to tell entertaining and laugh out-loud stories, while highlighting culturally specific experiences of the Black community and addressing universal topics. Various storylines this season include self-worth, interracial dating and Juneteenth.

Season two of the Disney+ Original series will premiere all episodes on February 1.
