### WEEKEND FAMILY

Every weekend, Fred takes care of his girls Clara (15), Victoire (12) and Romy (9). Each has a different mother with whom she lives during the week. A new stepmother joins in this happy mix when Fred falls madly in love with Emma, a Canadian doctoral student in child psychology.

The eight-episode family comedy is directed by Pierre-François Martin-Laval ("Gaston Lagaffe," "Serial Teachers," "Fahim") and Sophie Reine ("Cigarettes et Chocolat Chaud"). Elephant International produced "Weekend Family" for Disney+.
